

Solenne 250/155 LED 3000K

Solenne is designed by Kauppi & Kauppi and includes a total of seven lighting fixtures, all with generous matt opal glass shades and black or white glazed porcelain bases. Four of the fixtures follow our traditional range for ceiling, wall, and facade with IP44 ratings suitable for both indoor and outdoor installations. The collection also includes three more novel types of lighting fixtures, taking our pressed porcelain to new indoor contexts. Solenne includes a grand pendant with a corresponding porcelain ceiling cup, a new table luminaire with a wooden base, and Ifö Electric's very first floor lamp.

EAN / GTIN	7312908441100
E-number	7509644
Article no.	8441-800-10
Type designation	51765/LED

Specification

Material	Porcelain
Base colour	White (NCS S 1000-N)
Glass	Matt opalglas
Glass thread (mm)	123,5 mm
Glass gasket	Silicone
Diameter (mm)	250
Height (mm)	156
Lamp holder	LED
Light source	LED module, 10W **
Effect	10W
Lumen, light source	1000lm
Colour temperature	3000K
MacAdam	3 SDCM
Life span	L80/B10: 47 000 h
Ra	Min 90
Lighting control	LED module, 10W **
Rated voltage	230V
Dimmable	
Back edge only - We recommer Vadsbo and Niko	d dimmers from ION, Schneider,
	d dimmers from ION, Schneider, IP44
